October Newsletter 2009

Make Me Famous

As mentioned in previous newsletters i am after your photos. I am trying to use pictures from our lake for the newsletter headers, so any photos you have from this season, text me (number on card), email the committee on info@hamptons-lrac.co.uk or bring it to a committee meeting.

Lake Access

It has been made clear to us by the Fenstanton council, that there are members of our club using the pathway to drive into the lake by the rear access gate. This is a public pathway for use by pedestrians and cycles only. The council have informed us that it is illegal to drive on a public pathway, unless it is an emergency vehicle attending a scene. With this in mind we are asking you not to drive your car from Fenstanton into the lake, but instead use the main gate or wheelbarrow your gear through the rear gate.

It's Party Time!

As the winter season is coming and the number of members fishing falls we are going to take another team of people down the lake for another works party. We will hopefully rebuild some swims, trim the brambles overhanging the pathways and cut the grass around the lake. The last one was such a success we hope that this one will be just a good if not better. The date for the next work party will be the 5th December, so plenty of time to make arrangements. There will be a barbecue for all that attend, and work!

Parkers People

Following the recent on the side match against the Mandersons trust we have set parker the challenge of organising a team of members that would be willing to take part in matches away from our lake, these also include days out to other venues. If interested get in touch with us at info@hamptons-lrac.co.uk.

Catch Report

I still haven't received much information about catches down the lake, but those that I have sound promising. Young Mr Pies who was down the lake with Daniel for the weekend, managed to catch his first carp of the season, well two to be precise. One of which was 9lb and the second being 11lb 8oz. Cyclist Matt managed beautiful 15lb common, a new PB, and his lovely lady Clare managed a 16lb common, also a new PB! Nice to hear some more fish being caught from the lake.

Match List

There are currently now five matches penned in for this year:

Date	Description	Times
12th June	Open Night Match	7pm Draw – 8:30 start
18th July	Hamptons Cup	7am Draw – 7:30 start
22nd Aug	Gudgeon Match	7.45 – 8 start
19 th Dec	Fur & Feather	8:30 Draw
11 th March	End of Season match	7pm Draw – 8.30 start

The next match for this season is the Christmas Special, the legendary Fur and Feather which is usually well attended, mainly due to the fact we get to play with guns. This is a double header event, a fish match to start the morning followed by a clay shoot in the afternoon. Both results are combined for an overall winner. Look out for more info in November. There has been an extra match put in place. This will be on the 11th march, and we finish the season as we started.

Sea Fishing Trip

We now have finalised details for the sea fishing trip. The trip will be held on the 21st November, and we will be cod fishing off the coast of Lowestoft. The trip will cost approximately £65 per person and includes everything needed for a days fishing... even the beer! Places are filling fast so if interested please contact Les Millross. Obviously if fewer people go on the trip then the cost may rise slightly. These trips are a great day out and highly recommended to all.

Committee Meetings

The next committee meeting is to be held at The George at 7:30pm on the 3rd November 2009. Any point you wish to put forward to the committee, pictures of your catches, or just show your face then all are welcome.
